放眼新时代 共创新未来

LOOK TO THE NEW ERA AND CREATE A BETTER FUTURE

洞见未来，把握先机。12年来，冰山集团携手达沃斯，协同国际国内合作伙伴，持续创新冷热新事业、新业态、新模式，打造完整的冷热产业链、升级的冷热价值链、开放的冷热生态圈，共振共生，用智慧调控冷热，用绿色妆点未来。梦想的温度，冰山的态度。

Look to the future and seize the opportunity. Over the past 12 years, Dalian Bingshan Group has cooperated with international and domestic partners through Davos, to continuously create new businesses, new forms of business and new models of heating and refrigeration. It has built an integrated industrial chain, an upgraded value chain, and an open ecosystem of heating and refrigeration and achieved resonance and symbiosis. It aims to regulate heating and refrigeration with wisdom, and make the future bright with green. In the ideal temperature lies Bingshan's future.
